If the Issuer amends the Consent Solicitation in any way that, in the opinion of the Issuer (in consultation with the Trustee), is materially prejudicial to the interests of Noteholders that have already submitted Electronic Voting Instructions in respect of the Consent Solicitation before the announcement of such amendment, then such Electronic Voting Instructions may be revoked at any time from the date and time of such announcement until no earlier than 4.00 p.m. (London Time) on the second Business Day immediately following such announcement. For full details, please see "*Amendment and Termination*".

The Trustee has no responsibility or liability for monitoring, tabulating or verifying compliance with deadlines or other formalities in connection with the delivery of Electronic Voting Instructions with respect to any Notes and will be relying on the Issuer and the Information and Tabulation Agent, as applicable.

Noteholders are advised to check with any bank, securities broker or other intermediary through which they hold their Notes when such intermediary would need to receive instructions from a Noteholder in order for such Noteholder to participate in, or (in the limited circumstances in which revocation is permitted) to validly revoke their instruction to participate in, the Consent Solicitation by the deadlines specified in this Consent Solicitation Memorandum. The deadlines set by any such intermediary and each Clearing System for the submission and (where permitted) revocation of Electronic Voting Instructions will be earlier than the relevant deadlines specified in this Consent Solicitation Memorandum. See "Procedures for Participating in the Consent Solicitation".

In light of the UK Government's response to the COVID-19 outbreak, the Issuer strongly encourages all Noteholders to submit their Electronic Voting Instructions or to make other arrangements to be represented or to vote at the Meeting in accordance with the Meeting Provisions via a bluejeans video conference meeting ID to be provided by Fieldfisher LLP upon request. Noteholders should note that attendance at the physical place of the meeting is not an option.

Questions and requests for assistance in connection with (i) the Consent Solicitation and (ii) the delivery of Electronic Voting Instructions, may be directed to the Information and Tabulation Agent, the contact details for which are on the last page of this Consent Solicitation Memorandum.

FURTHER TERMS OF THE CONSENT SOLICITATION

General conditions of the Consent Solicitation

The Issuer expressly reserves the right, in its sole discretion, to refuse to accept, or to delay acceptance of, Electronic Voting Instructions pursuant to the Consent Solicitation in order to comply with applicable laws. In all cases, an Electronic Voting Instruction will only be deemed to have been validly submitted once submitted in accordance with the procedures described in "*Procedures for Participating in the Consent Solicitation*", which include the blocking of the relevant Notes in the relevant account in the Clearing Systems, as described in "*Certain Considerations Relating to the Consent Solicitations – Blocking of Notes and Restrictions on Transfer*" below.

The Issuer may reject Electronic Voting Instructions which it considers in its reasonable judgment not to have been validly submitted in the Consent Solicitation. For example, Electronic Voting Instructions may be rejected and not accepted and may be treated as not having been validly submitted if any such instruction does not comply with the requirements of a particular jurisdiction.

The failure of any eligible person to receive a copy of this Consent Solicitation Memorandum, the Notice or any other notice issued by the Issuer or any other person in connection with the Consent Solicitation and/or the Meeting shall not invalidate any aspect of the Consent Solicitation or Meeting. No acknowledgement of receipt of any Electronic Voting Instruction and/or any other documents will be given by the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar or the Principal Paying Agent.

Announcements

Unless stated otherwise, all announcements in connection with the Consent Solicitation will be made by the Issuer by delivery of a notice to the Clearing Systems for communication to Direct Participants. Such announcements may also be made by publication on the: (A) Luxembourg Stock Exchange's website at www.bourse.lu; or (B) via RNS. Copies of all announcements, notices and press releases can also be obtained by emailing the Information and Tabulation Agent at se@idex-is.com. Significant delays may be experienced where notices are delivered to the Clearing Systems and Noteholders are urged to contact the Information and Tabulation Agent for the relevant announcements during the course of the Consent Solicitation. In addition, Noteholders may contact the Information and Tabulation Agent for information using the contact details on the last page of this Consent Solicitation Memorandum.

Governing law

The Consent Solicitation, each Electronic Voting Instruction and any non-contractual obligations or matters arising from or connected with any of the foregoing, shall be governed by, and construed in accordance with, the laws of England.

By submitting an Electronic Voting Instruction the relevant Noteholder will unconditionally and irrevocably agree for the benefit of the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar and the Principal Paying Agent that the courts of England are to have exclusive jurisdiction to settle any disputes that may arise out of or in connection with the Consent Solicitation, the Meeting and such Electronic Voting Instruction and that accordingly any suit, action or proceedings arising out of or in connection with the foregoing may be brought in such courts.

RISK FACTORS AND CERTAIN CONSIDERATIONS RELATING TO THE CONSENT SOLICITATION

Before making a decision with respect to the Consent Solicitation, Noteholders should carefully consider, in addition to the other information contained in this Consent Solicitation Memorandum, the following:

1. Risks relating to the Notes following implementation of the Proposals

1.1 *Amendments to clause 2.2 (Covenant to pay), clause 6.1 (Order of payment), the first paragraph of the preamble to the Conditions, Condition 5.1 (Interest Rate and Interest Payment Date), Condition 7.1 (Redemption at Maturity) and Condition 10 (Events of Default) and the inclusion of a new Condition 5.4 (Conversion to shares), Condition 5.5 (Amortisation payments) and Condition 7.2A (Special redemption at the Option of the Issuer), together with the definition of "Notes" in the Trust Deed*

There are a significant amendments to clause 2.2 (*Covenant to pay*), clause 6.1 (*Order of payment*), the first paragraph of the preamble to the Conditions, Condition 5.1 (*Interest Rate and Interest Payment Date*), Condition 7.1 (*Redemption at Maturity*) and Condition 10 (*Events of Default*) and the inclusion of a new Condition 5.4 (*Conversion to shares*), Condition 5.5 (*Amortisation payments*) and Condition 7.2A (*Special redemption at the Option of the Issuer*), together with the definition of "Notes" in the Trust Deed. The text of the new clause 2.2 (*Covenant to pay*), clause 6.1 (*Order of payment*), first paragraph of the preamble to the Conditions, Condition 5.1 (*Interest Rate and Interest Payment Date*), Condition 7.1 (*Redemption at Maturity*) and Condition 10 (*Events of Default*) and the inclusion of a new Condition 5.4 (*Conversion to shares*), Condition 5.5 (*Amortisation payments*) and Condition 7.2A (*Special redemption at the Option of the Issuer*), together with the definition of "Notes" in the Trust Deed is set out in the Extraordinary Resolution and in the Supplemental Trust Deed. Without prejudice to the foregoing, Noteholders should review the text of the new Conditions, the Supplemental Trust Deed and the documents available for distribution (see "*Documents Available for Distribution*"), in each case in their entirety, together with the contents of this Consent Solicitation Memorandum, before making a decision whether to vote in favour or against the Proposals.

2. Considerations relating to the Consent Solicitation

2.1 *Procedures for participating in the Consent Solicitation*

Noteholders are responsible for complying with all of the procedures for participating in the Consent Solicitation. None of the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar or the Principal Paying Agent assumes any responsibility for informing Noteholders of irregularities with respect to compliance with such procedures.

Noteholders are advised to check with any Clearing System, bank, securities broker or other intermediary through which they hold Notes when such Clearing System or intermediary would need to receive instructions from a Noteholder in order for that Noteholder to be able to participate in, or (in the limited circumstances in which revocation is permitted) revoke their instruction to participate in, the Consent Solicitation by the deadlines specified in this Consent Solicitation Memorandum.

In relation to the delivery or revocation of Electronic Voting Instructions or obtaining voting certificates or forms of proxy or otherwise making arrangements for the giving of voting instructions, in each case through the Clearing Systems, Noteholders should note the particular practice and policy of the relevant Clearing System, including any earlier deadlines set by such Clearing System.

2.2 *Sanctions Restricted Persons*

A Noteholder who is a Sanctions Restricted Person (as defined herein) may not participate in the Consent Solicitation.

2.3 *Irrevocability of Electronic Voting Instructions*

Each Electronic Voting Instruction will be irrevocable except in the limited circumstances described in "*Amendment and Termination*".

2.4 ***Blocking of Notes and Restrictions on Transfer***

When considering whether to participate in the Consent Solicitation, Noteholders should take into account that, where applicable, restrictions on the transfer of the Notes will apply from the time of submission of Electronic Voting Instructions.

A Noteholder will, on submitting an Electronic Voting Instruction in respect of the Notes, agree that its Notes will be blocked, from the date the relevant Electronic Voting Instruction is submitted, in the relevant account in the relevant Clearing System until the earlier of: (i) the date on which the relevant Electronic Voting Instruction is validly revoked, in the limited circumstances in which such revocation is permitted (including their automatic revocation on the termination of the Consent Solicitation), in accordance with the terms of the Consent Solicitation; (ii) the conclusion of the Meeting (or, if applicable, the adjourned Meeting); and (iii) the termination of the Consent Solicitation.

By blocking its Notes in the relevant Clearing System, each Direct Participant (who holds Notes either directly or on behalf of a beneficial owner) will be deemed to consent to the relevant Clearing System providing details concerning such Direct Participant's identity to the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar, the Principal Paying Agent and their respective legal advisers.

2.5 ***Amendment of the Consent Solicitation***

Subject to applicable laws and the Meeting Provisions, and as provided in this Consent Solicitation Memorandum the Issuer may, at its option and in its sole discretion, amend, terminate, extend, or waive any condition of, the Consent Solicitation (provided that no amendment may be made to the terms of the Extraordinary Resolution) at any time before the Expiration Deadline (or, where there is an adjourned Meeting, 48 hours before the time set for any such adjourned Meeting).

In the case of any such amendment that, in the opinion of the Issuer (in consultation with the Trustee), is materially prejudicial to the interests of Noteholders that have already submitted Electronic Voting Instructions in respect of the Consent Solicitation before the announcement of such amendment (which announcement shall include a statement that, in the opinion of the Issuer, such amendment is materially prejudicial to such Noteholders), (subject to no such materially prejudicial amendment being permissible at any time after 10.00 a.m. (London Time) on the second Business Day immediately preceding the Expiration Deadline) then such Electronic Voting Instructions may be revoked at any time from the date and time of such announcement until 10.00 a.m. (London Time) on the second Business Day immediately following such announcement (subject to the earlier deadlines required by the relevant Clearing Systems and any intermediary through which Noteholders hold their Notes). See "*Amendment and Termination*".

2.6 ***No assurance that the Proposals will take effect***

No assurance can be given that the Proposals will take effect. In particular, subject to applicable law, the Issuer may extend, amend or terminate the Consent Solicitation at any time before the Expiration Deadline (or, where there is an adjourned Meeting, 48 hours before the time set for any such adjourned Meeting), as described in "*Amendment and Termination*" below.

2.7 ***All Noteholders are bound by the Extraordinary Resolution***

Noteholders should note that if the Extraordinary Resolution is passed it will be binding on all Noteholders, whether or not they chose to participate in the Consent Solicitation or otherwise vote at the Meeting. Noteholders who do not submit an Electronic Voting Instruction will still be bound by the terms of the Extraordinary Resolution (if passed).

2.8 ***Responsibility to consult advisers***

Each Noteholder is solely responsible for making its own independent appraisal of all matters as such Noteholder deems appropriate (including those relating to the Consent Solicitation and the Extraordinary Resolution) and each Noteholder must make its own decision whether to participate in the Consent Solicitation or otherwise participate at the Meeting.

Noteholders should consult their own tax, accounting, financial and legal advisers regarding the suitability to themselves of the tax or accounting consequences of participating in the Consent Solicitation and regarding the impact on them of the Extraordinary Resolution if passed at the Meeting.

None of the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar or the Principal Paying Agent or any director, officer, employee, agent or affiliate of any such person is acting for any Noteholder, or will be responsible to any Noteholder for providing any protections which would be afforded to its clients or for providing advice in relation to the Consent Solicitation or Extraordinary Resolution, and accordingly none of the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar or the Principal Paying Agent or any director, officer, employee, agent or affiliate of any such person, makes any recommendation as to whether or not or how Noteholders should participate in the Consent Solicitation or otherwise participate at the Meeting.

2.9 ***Further actions in respect of the Notes***

The Issuer reserves the right to take one or more future actions at any time in respect of the Notes. This includes, without limitation, the purchase or exchange from time to time of Notes in the open market or future consent solicitations, in privately negotiated transactions, through tender offers, exchange offers, consent solicitations or otherwise and at any price. Any future purchases, exchanges or consents by the Issuer will depend on various factors existing at that time. There can be no assurance as to which, if any, of those alternatives (or combinations thereof) the Issuer will choose to pursue in the future and when such alternatives might be pursued.

TAX CONSEQUENCES

In view of the number of different jurisdictions where tax laws may apply to a Noteholder, this Consent Solicitation Memorandum does not discuss the tax consequences for Noteholders arising from the Consent Solicitation or the Extraordinary Resolution. Noteholders are urged to consult their own professional advisers regarding the possible tax consequences of these transactions under the laws of the jurisdictions that apply to them, as well as the possible tax consequences of holding the Notes after they are modified pursuant to the Extraordinary Resolution (which could differ, potentially materially, from the tax consequences of holding the Notes before they are modified). Noteholders are liable for their own taxes and have no recourse to the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar or the Principal Paying Agent with respect to any taxes arising in connection with the Consent Solicitation and/or the Extraordinary Resolution.

Noteholders should consult their own tax, accounting, financial and legal advisers regarding the suitability to themselves of the tax or accounting consequences of participating in the Consent Solicitation and regarding the impact on them of the implementation of the Extraordinary Resolution.

PROCEDURES FOR PARTICIPATING IN THE CONSENT SOLICITATION

Noteholders who need assistance with respect to the procedures for participating in the Consent Solicitation should contact the Information and Tabulation Agent, the contact details for which are on the last page of this Consent Solicitation Memorandum.

Summary of action to be taken

Noteholders may only participate in the Consent Solicitation in accordance with the procedures set out in this section "*Procedures for Participating in the Consent Solicitation*".

Eligible Noteholders are advised to check with any bank, securities broker or other intermediary through which they hold their Notes when such intermediary would need to receive instructions from an eligible Noteholder in order for such eligible Noteholder to participate in, or (in the limited circumstances in which revocation is permitted) to validly revoke their instruction to participate in, the Consent Solicitation by the deadlines specified in this Consent Solicitation Memorandum. The deadlines set by any such intermediary, Direct Participant and/or each Clearing System for the submission and (where permitted) revocation of Electronic Voting Instructions will be earlier than the relevant deadlines in this Consent Solicitation Memorandum.

Electronic Voting Instructions

Where an eligible Noteholder wishes to vote, by way of an Electronic Voting Instruction, in respect of the Extraordinary Resolution at the Meeting, the eligible Noteholder must deliver, or arrange to have delivered on its behalf, through the relevant Clearing System and in accordance with the requirements of such Clearing System, a valid Electronic Voting Instruction that is received by the Information and Tabulation Agent by the Expiration Deadline.

Only Direct Participants may submit Electronic Voting Instructions. Each Noteholder that is not a Direct Participant must arrange for the Direct Participant through which such Noteholder holds its Notes to submit an Electronic Voting Instruction on its behalf to the relevant Clearing System before the deadlines specified by the relevant Clearing System.

Attending or being represented and voting at a Meeting other than pursuant to Electronic Voting Instructions

Noteholders who do not wish to participate in the Consent Solicitation can obtain a voting certificate or a form of proxy to attend or be represented and vote at the Meeting, via a bluejeans video conference meeting ID to be provided by Fieldfisher LLP upon request, by following the procedures outlined in the Notice.

In light of the UK Government's response to the COVID-19 outbreak, the Issuer strongly encourages all Noteholders to submit their Electronic Voting Instructions or to make other arrangements to be represented or to vote at the Meeting in accordance with the Meeting Provisions via a bluejeans video conference meeting ID to be provided by Fieldfisher LLP upon request. As a result of the current guidance issued by the UK Government, and in accordance with the provisions of the Trust Deed, the Issuer has requested that the Trustee prescribe appropriate regulations regarding the holding of the meeting via a bluejeans video conference meeting. Noteholders should note that attendance at the physical place of the meeting is not an option.

The Issuer will take appropriate steps to ensure that only those who would otherwise be entitled to attend and vote at a physical meeting will be entitled to attend the bluejeans video conference meeting.

Electronic Voting Procedures

The procedures below relate to the submission of Electronic Voting Instructions in respect of the Notes.

The submission of Electronic Voting Instructions will be deemed to have occurred upon receipt by the Information and Tabulation Agent from the relevant Clearing System of a valid Electronic Voting Instruction submitted in accordance with the requirements of the Clearing Systems. Each Electronic Voting Instruction must specify, among other things, the aggregate principal amount of the Notes which are subject to the Electronic Voting Instruction and by submitting an Electronic Voting Instruction, a Noteholder will instruct the Registrar to appoint the Information and Tabulation Agent as its proxy under a block voting instruction to attend the Meeting (and any adjourned Meeting) and vote in the manner specified or identified in such Electronic Voting Instruction in respect

of the Extraordinary Resolution. It will not be possible to submit an Electronic Voting Instruction without at the same time giving such instructions to the Registrar.

The receipt of such Electronic Voting Instruction by the relevant Clearing System will be acknowledged in accordance with the standard practices of the relevant Clearing System and will result in the blocking of the relevant Notes in the relevant Noteholder's account with the relevant Clearing System so that no transfers may be effected in relation to such Notes.

Noteholders must take the appropriate steps through the Clearing Systems so that no transfers may be effected in relation to such blocked Notes at any time after the date of submission of such Electronic Voting Instruction, in accordance with the requirements of the Clearing Systems and the deadlines required by the Clearing Systems. By blocking such Notes in the relevant Clearing System, each Noteholder will be deemed to consent to have the relevant Clearing System provide details concerning the relevant Direct Participant's identity to the Information and Tabulation Agent (and for the Information and Tabulation Agent to provide such details to the Issuer, the Trustee, the Registrar, the Principal Paying Agent and their respective legal advisors).

It is a term of the Consent Solicitation that each Electronic Voting Instruction is irrevocable except in the limited circumstances described in "*Amendment and Termination*". In the limited circumstances in which revocation is permitted, Electronic Voting Instructions may be revoked by a Noteholder, or the relevant Direct Participant on its behalf, by submitting a valid electronic revocation instruction to the relevant Clearing System. To be valid, such instruction must specify the Notes to which the original Electronic Voting Instruction related and any other information required by the Clearing Systems.

Agreements, acknowledgements, representations, warranties and undertakings

By submitting an Electronic Voting Instruction to the relevant Clearing System in accordance with the procedures of such Clearing System, each Noteholder whose Notes are the subject of such Electronic Voting Instruction shall, and any Direct Participant submitting such Electronic Voting Instruction on behalf of such Noteholder(s) shall in respect of itself and each such Noteholder, be deemed to agree, and acknowledge, represent, warrant and undertake, to the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar and the Principal Paying Agent, the following at: (i) the time of submission of such Electronic Voting Instruction; (ii) the Expiration Deadline; and (iii) the time of the Meeting and the time of any adjourned Meeting (and if a Noteholder or Direct Participant on behalf of any Noteholder is unable to make any such agreement or acknowledgement or give any such representation, warranty or undertaking, such Noteholder or Direct Participant should contact the Information and Tabulation Agent immediately):

- (a) it has received this Consent Solicitation Memorandum, and has reviewed, agrees to be bound by and accepts the terms, conditions and other considerations of the Consent Solicitation, all as described in this Consent Solicitation Memorandum;

- (c) each Electronic Voting Instruction is made on the terms and conditions set out in this Consent Solicitation Memorandum;
- (d) by blocking the relevant Notes in the relevant Clearing System, each Noteholder consents to the relevant Clearing System providing details concerning the relevant Direct Participant's identity to the Information and Tabulation Agent (and for the Information and Tabulation Agent to provide such details to the Issuer, the Trustee, the Registrar, the Principal Paying Agent and their respective legal advisors);
- (e) it gives instructions for the appointment of the Information and Tabulation Agent as its proxy under a block voting instruction to vote in respect of the Extraordinary Resolution at the Meeting and any adjourned Meeting in the manner specified in the Electronic Voting Instruction in respect of all of the Notes in its account blocked in the relevant Clearing System;
- (f) all authority conferred or agreed to be conferred pursuant to its acknowledgements, agreements, representations, warranties and undertakings, and all of its obligations, shall be binding upon its

successors, assigns, heirs, executors, trustees in bankruptcy and legal representatives, and shall not be affected by, and shall survive, its death or incapacity;

- (g) none of the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar and the Principal Paying Agent or any of their respective directors or employees has given it any information with respect to the Consent Solicitation or the Extraordinary Resolution save as expressly set out in this Consent Solicitation Memorandum and the Notice nor has any of them expressed any opinion about the terms of the Consent Solicitation or the Extraordinary Resolution or made any recommendation to it as to whether it should participate in the Consent Solicitation or otherwise participate at the Meeting or whether to vote in favour of or against (or how to vote in respect of) the Extraordinary Resolution and it has made its own decision with regard to participating in the Consent Solicitation based on financial, tax or legal advice it has deemed necessary to seek and is assuming all the risks inherent in participating in the Consent Solicitation;
- (h) no information has been provided to it by the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar or the Principal Paying Agent, or any of their respective directors or employees, with regard to the tax consequences for Noteholders arising from the participation in the Consent Solicitation or the implementation of the Extraordinary Resolution, and it acknowledges that it is solely liable for any taxes and similar or related payments imposed on it under the laws of any applicable jurisdiction as a result of its participation in the Consent Solicitation, and agrees that it will not and does not have any right of recourse (whether by way of reimbursement, indemnity or otherwise) against the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar or the Principal Paying Agent, or any of their respective directors or employees, or any other person in respect of such taxes and payments;
- (i) the Notes have not been and will not be registered under the Securities Act, or the securities laws of any state or other jurisdiction of the United States, and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons, unless an exemption from the registration requirements of the Securities Act is available (terms used in this and the following paragraph that are, unless otherwise specified, defined in Regulation S are used as defined in Regulation S);
- (j) it is not a U.S. person (as defined in Regulation S under the Securities Act), and is not acting for the account or benefit of any U.S. person, and it is not located or resident in the United States;
- (k) each Electronic Voting Instruction is being submitted in compliance with the applicable laws or regulations of the jurisdiction in which the Direct Participant or beneficial owner of Notes is located or in which it is resident, it is otherwise a person to whom the Consent Solicitation can be lawfully made and that may lawfully participate in the Consent Solicitation and it has not taken or omitted to take any action in breach of the representations or which will or may result in the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar, the Principal Paying Agent or any other person acting in breach of the legal or regulatory requirements of any such jurisdiction in connection with any votes in favour of or votes against the Extraordinary Resolution;
- (l) it is not a Sanctions Restricted Person;
- (m) it has not received nor is aware of any claim, action, suit, proceeding or investigation against it with respect to sanctions by a Sanctions Authority;
- (n) it agrees to do all such acts and things as shall be necessary and execute any additional documents deemed by the Issuer to be desirable, in each case, to effect delivery of the Electronic Voting Instructions related to such Notes or to evidence such power and authority;
- (o) it unconditionally and irrevocably agrees for the benefit of the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar and the Principal Paying Agent that the courts of England are to have exclusive jurisdiction to settle any disputes that may arise out of or in connection with the Consent Solicitation, the Meeting and such Electronic Voting Instruction and that accordingly any suit, action or proceedings arising out of or in connection with the foregoing may be brought in such courts; and
- (p) it holds and will hold, until the earlier of: (i) the date on which its Electronic Voting Instruction is validly revoked, in the limited circumstances in which such revocation is permitted (including the automatic revocation of such Electronic Voting Instruction on the termination of the Consent Solicitation), in accordance with the terms of the Consent Solicitation; and (ii) the conclusion of the Meeting (or, if

applicable, the adjourned Meeting); the relevant Notes blocked in the relevant Clearing System and, in accordance with the requirements of, and by the deadline required by, the relevant Clearing System, it has submitted, or has caused to be submitted, an Electronic Voting Instruction to the relevant Clearing System to authorise the blocking of such Notes with effect on and from the date of such submission so that no transfers of such Notes may be effected until the occurrence of any of the events listed in (i) or (ii) above. By blocking its Notes in the relevant Clearing System, each Direct Participant (who holds Notes either directly or on behalf of a beneficial owner) will be deemed to consent to the relevant Clearing System providing details concerning such Direct Participant's identity to the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar, the Principal Paying Agent and their respective legal advisers.

In addition, by submitting a Electronic Voting Instruction as described above, each Noteholder shall be deemed to agree, acknowledge, represent, warrant and undertake, that, in the event the Extraordinary Resolution is passed and beginning at the time that the amendments to the Notes become effective, until the expiry of the period of 40 days thereafter, sales may not be made in the United States or to U.S. persons unless made outside the United States pursuant to Rule 903 and 904 of Regulation S, such agreements, acknowledgements, representations, warranties and undertakings in each case being made to the Issuer and the Information and Tabulation Agent at: (i) the time of submission of such Electronic Voting Instruction; (ii) the Expiration Deadline; and (iii) the time of the Meeting and the time of any adjourned Meeting.

General

Electronic Voting Instructions other than in accordance with the procedures set out in this section will not be accepted

Noteholders may only participate in the Consent Solicitation by way of the submission of valid Electronic Voting Instructions in accordance with the procedures set out in this section "*Procedures for Participating in the Consent Solicitation*". Noteholders should not send Electronic Voting Instructions to the Issuer.

A Noteholder should not make any direct arrangements with or give any form of instructions directly to the Registrar in connection with the Consent Solicitation and/or the Meeting unless the relevant Noteholder wishes to attend or be represented at the Meeting other than pursuant to Electronic Voting Instructions.

Appointment of the Information and Tabulation Agent as proxy

By submitting a valid Electronic Voting Instruction, a Noteholder will give instructions for the appointment of the Information and Tabulation Agent as their proxy to vote in the manner specified in its Electronic Voting Instruction in respect of the Extraordinary Resolution at the Meeting and at any adjourned Meeting.

Irrevocability

The submission, in accordance with the procedures set out in this section "*Procedures for Participating in the Consent Solicitation*", of an Electronic Voting Instruction will be irrevocable (except in the limited circumstances described in "*Amendment and Termination*").

In the limited circumstances in which their revocation is permitted, Electronic Voting Instructions may be revoked by, or on behalf of, the relevant Noteholder, by submitting a valid electronic revocation instruction that is received by the Information and Tabulation Agent by the relevant deadline in accordance with the procedures of the relevant Clearing System.

Irregularities

All questions as to the validity, form, eligibility and (in the limited circumstances in which revocation is permitted) valid revocation (including times of receipt) of any Electronic Voting Instruction will be determined by the Issuer in its sole discretion, which determination shall be final and binding.

The Issuer reserves the absolute right to reject any and all Electronic Voting Instructions or revocation instructions not in proper form or the acceptance of which would, in the opinion of the Issuer and its legal advisers, be unlawful. The Issuer also reserves the absolute right to waive any defects, irregularities or delay in the submission of any or all Electronic Voting Instructions or revocation instructions. The Issuer also reserves the absolute right to waive any such defect, irregularity or delay in respect of a particular Electronic Voting Instruction whether or not the Issuer elects to waive similar defects, irregularities or any delay in respect of other Notes.

Any defect, irregularity or delay must be cured within such time as the Issuer determines, unless waived by it. Electronic Voting Instructions will be deemed not to have been made until such defects, irregularities or delays have been cured or waived. None of the Issuer, the Information and Tabulation Agent, the Trustee, the Registrar and the Principal Paying Agent shall be under any duty to give notice to a Noteholder of any defects, irregularities or delays in any Electronic Voting Instruction or revocation instruction, nor shall any of them incur any liability for failure to give such notice.

AMENDMENT AND TERMINATION

Amendment and Termination

Notwithstanding any other provision of the Consent Solicitation, the Issuer may, subject to applicable laws and the Meeting Provisions, at its option and in its sole discretion at any time before the Expiration Deadline (or, where there is an adjourned Meeting, 48 hours before the time set for any such adjourned Meeting):

- (a) extend the Expiration Deadline in respect of the Consent Solicitation for any purpose (in which case all references to the "**Expiration Deadline**" in this Consent Solicitation Memorandum are, in respect of such Consent Solicitation, to the Expiration Deadline for the Consent Solicitation as it may be extended);
- (b) terminate the Consent Solicitation at any time (including with respect to Electronic Voting Instructions submitted in respect of the Consent Solicitation before the time of such termination) and not implement the Proposals pursuant to the Consent Solicitation; and
- (c) otherwise amend or modify at any time the terms of the Consent Solicitation (other than the terms of the Extraordinary Resolution) in any respect (including, but not limited to, by waiving, where possible, any conditions to completion of the Consent Solicitation).

The Issuer will promptly give oral or written notice (with any oral notice to be promptly confirmed in writing) of any extension, amendment, termination or waiver to the Information and Tabulation Agent, followed by an announcement thereof as promptly as practicable, to the extent required by this Consent Solicitation Memorandum or by law. See "*Further Terms of the Consent Solicitations - Announcements*".

In the event the Consent Solicitation is terminated, if not already held, the Meeting will still be held and, as specified in the paragraph below, the Extraordinary Resolution will still be considered and voted on at the Meeting. However, notwithstanding the irrevocability of all Electronic Voting Instructions, on such termination of the Consent Solicitation, all Electronic Voting Instructions relating to the Consent Solicitation will be deemed to be revoked automatically.

In the event the Consent Solicitation is terminated, all Notes in respect of which Electronic Voting Instructions had been submitted prior to the time of such termination will be unblocked promptly in the relevant account in the Clearing Systems.

Revocation Rights

(A) If the Issuer amends the Consent Solicitation (other than the terms of the Extraordinary Resolution, which may not be amended) in any way (including by way of the making of any announcement, or the issue of any supplement or other form of update to this Consent Solicitation Memorandum, in which any material development is disclosed) that, in the opinion of the Issuer (in consultation with the Trustee), is materially prejudicial to the interests of Noteholders that have already submitted Electronic Voting Instructions in respect of the Consent Solicitation before the announcement of such amendment (which announcement shall include a statement that, in the opinion of the Issuer, such amendment is materially prejudicial to such Noteholders), (subject to no such materially prejudicial amendment being permissible at any time after 10.00 a.m. (London Time) on the second Business Day immediately preceding the Expiration Deadline), then such Electronic Voting Instructions may be revoked at any time from the date and time of such announcement until no earlier than 10.00 a.m. (London Time) on the second Business Day immediately following such announcement (subject to the earlier deadlines required by the Clearing Systems and any intermediary or Direct Participants through which Noteholders hold their Notes).

For the avoidance of doubt, any extension of the Consent Solicitation (or any deadline thereof) in accordance with the terms of the Consent Solicitation as described in this section "*Amendment and Termination*" (whether or not in connection with the convening of an adjourned Meeting) shall not be considered to be so materially prejudicial.

Noteholders wishing to exercise any such rights of revocation should do so in accordance with the procedures set out in "*Procedures for Participating in the Consent Solicitation*". Beneficial owners of Notes that are held through an intermediary are advised to check with such entity when it would require to receive instructions to revoke an Electronic Voting Instruction in order to meet the above deadlines. For the avoidance of doubt, any Noteholder who does not exercise any such right of revocation in the circumstances and in the manner specified above shall be deemed to have waived such right of revocation and its original Electronic Voting Instruction will remain effective.

The exercise of any such right of revocation in respect of an Electronic Voting Instruction will be effective for the purposes of revoking the instruction given by the relevant Noteholder for the appointment of the Information and Tabulation Agent by the Registrar as the relevant proxy to vote at the Meeting on such Noteholder's behalf only if a valid revocation instruction is received by the Information and Tabulation Agent no later than the Expiration Deadline or (if applicable) 48 hours before the adjourned Meeting.

INFORMATION AND TABULATION AGENT

The Issuer has retained Idexis Limited to act as Information and Tabulation Agent for the Consent Solicitation.

The Information and Tabulation Agent will assist Noteholders that require assistance in connection with the Consent Solicitation. The Issuer has entered into an engagement letter with the Information and Tabulation Agent which contains certain provisions regarding payment of fees, expenses, reimbursements and indemnity arrangements relating to the Consent Solicitation.

The Information and Tabulation Agent is not acting through a U.S. broker-dealer affiliate and, accordingly, will not discuss the Consent Solicitation with any Noteholder who is unable to confirm it is not located or resident in the United States.

The Information and Tabulation Agent is the agent of the Issuer and owes no duty to any Noteholder.
